

## Leading Others in the Baptism of the Holy Spirit

- Take them to Luke 11:9-13 and affirm 2 things:
  - If you ask, you WILL receive because Jesus has promised that those who ask, receive. His Spirit is for EVERYONE and you are an everyone!
  - The Spirit is a good gift given by your good Father in Heaven, the kindest one in the universe
- In Acts, we see that the Baptism of the HS most often comes with tongues, a language you can pray in whenever you want
- Pray - acknowledge that the Lord is the One who baptizes, give Him permission to come, and give Him thanks
- Invite the person to pray out in thanksgiving and worship. Lay hands on them, ask if you can pray in tongues over them
  - Watch and listen while they pray
- Debrief after 10 minutes if they don't receive - ask them what is happening inside
- Pray again
- If there seems to be hindrances, stop and ask what's up - identify and speak into lies, rebuke the enemy, reject lies. Ask Jesus to reveal anything
- Pray again
- If they still haven't received, affirm God's love for them and that they are a step closer to receiving. Tell them what they aren't a failure and encourage them to keep asking God to fill them with His Spirit
